

Tiburon Lockers Inc. Announces Special Cash Rewards Celebrating its 400th Client

Tiburon Lockers celebrates signing their 400th client and offers an incentive.

(FV Newswire) January 07, 2010 -- Tiburon Lockers provides rental lockers and services for a variety of facilities at no cost to its venue partners. With its 400th partner, Tiburon announced it is offering, for a limited time, either a cash bonus or an increased percentage of the rental revenue for signing up a new account. These incentives are in addition to its normal business model of providing completely cost-free products and services. This offer will be valid for the first 20 new partners. This is applicable to new accounts for Tiburon's coin lockers as well as for its proprietary electronic locker systems.

About Tiburon Lockers Inc.-

Tiburon Lockers is the largest revenue share locker company in the United States by virtue of its over 400 locations. Tiburon has two distinct product classes: customized L3 electronic locker systems and its coin locker business.
