

Cisco CCNP, CCSP, and CCVP Certification Courses Now Available in Ft Lauderdale

The Institute of Professional Learning is now offering the full range of Cisco training courses and certifications to include CCENT, CCNA, CCDA, CCDP, CCNP, CCSP and CCVP certifications. The sunny location is ideal for certification training this winter.

(FV Newswire) March 10, 2010 -- The Institute of Professional Learning is now offering the full range of Cisco training courses and certifications to include CCENT, CCNA, CCDA, CCDP, CCNP, CCSP and CCVP certifications. The sunny location is ideal for certification training this winter.

The Institute of Professional Learning has the highest quality instructors with an average of 12 years each of teaching experience. IPL instructors are recognized throughout the industry and have a huge student following providing training class for [Microsoft certifications](#), [Cisco certifications](#), EC Council certifications, CompTIA certifications, and other courses.

The [Cisco CCNP](#) certification has 4 separate courses which may be taken individually:

Building Cisco Multilayer Switched Networks (BCMSN)

The Building Converged Cisco Multilayer Switched Networks (BCMSN 642-812) is a qualifying exam for the Cisco Certified Network Professional CCNP® and the Cisco Certified Design Professional CCDP® certifications. The BCMSN 642-812 exam will certify that the successful candidate has important knowledge and skills necessary to implement scalable multilayer switched networks. The exam includes topics on Campus Networks, describing and implementing advanced Spanning Tree concepts, VLANs and Inter-VLAN routing, High Availability, Wireless Client Access, Access Layer Voice concepts, and minimizing service Loss and Data Theft in a Campus Network.

Building Scalable Cisco Internetworks (BSCI)

The Building Scalable Cisco Internetworks (BSCI 642-901) is a qualifying exam for the Cisco Certified Network Professional CCNP®, Cisco Certified Design Professional CCDP®, and Cisco Certified Internetwork Professional CCIP™ certifications. The BSCI 642-901 exam will certify that the successful candidate has important knowledge and skills necessary to use advanced IP addressing and routing in implementing scalability for Cisco ISR routers connected to LANs and WANs. The exam covers topics on Advanced IP Addressing, Routing Principles, Multicast Routing, IPv6, Manipulating Routing Updates, Configuring basic BGP, Configuring EIGRP, OSPF, and IS-IS.

Implementing Secure Converged Wide Area Networks (ISCW)

The Implementing Secure Converged Wide Area Networks (ISCW 642-825) is a qualifying exam for the Cisco Certified Network Professional CCNP®. The ISCW 642-825 exam will certify that the successful candidate has important knowledge and skills necessary to secure and expand the reach of an enterprise network to teleworkers and remote sites with focus on securing remote access and VPN client configuration. The exam covers topics on Cisco hierarchical network model as it pertains to the WAN, teleworker configuration and access, frame mode MPLS, site-to-site IPSEC VPN, Cisco EZVPN, strategies used to mitigate network attacks, Cisco device hardening and IOS firewall features.

Optimizing Converged Cisco Networks (642-845)

The Optimizing Converged Cisco Networks (642-845 ONT) is a qualifying exam for the Cisco Certified Network Professional CCNP®. The ONT 642-845 exam will certify that the successful candidate has important knowledge and skills in optimizing and providing effective QoS techniques for converged networks. The exam topics include implementing a VOIP network, implementing QoS on converged networks, specific IP QoS mechanisms for implementing the DiffServ QoS model, AutoQoS, wireless security and basic wireless management.

The Institute of Professional Learning is proud to now offer these and many other courses on our schedule. The Cisco CCNP class is from February 4th to February 18th.

About Institute of Professional Learning, LLC

IPL is a fully approved educational center by the State of Florida located in Ft Lauderdale on Cypress Creek just off of I-95. All of IPL instructors are certified by the vendor providing the courses, and all instructors are certified in every course they teach. Classes are conducted using the Authorized Curriculum from Microsoft and Cisco. To learn more about the Institute of Professional Learning's courses, call (800) 611-1840.
